Re: Powell v. Seton Hall University, et al.
Civil Action No. 2:21-cv-13709-WJM-JSA

Dear Judge Allen:

This firm represents plaintiffs Myles Powell and Jasmine Smith ("Plaintiffs") in connection with the above referenced matter. Archer & Greiner, P.C. represents defendants, Seton Hall University, Tony Testa, and Deja Craig ("Seton Hall Defendants"), in this matter. After conferring with each other regarding expert discovery in this matter, the parties are requesting an amended expert discovery scheduling order.

Plaintiffs request a 30-day extension through and including August 23, 2024 to serve their affirmative expert reports. Additionally, Seton Hall Defendants request 45 days from the date that affirmative reports are served to submit their responsive expert reports, resulting in an October 7, 2024 responsive expert report deadline. In alignment with these requested extensions, we further request an expert discovery extension through November 7, 2024.

Thank you for Your Honor's attention and consideration in this matter.

Respectfully submitted,
